

COFFEY FAMILY

Church Planters to South Africa

As we work to expand our churches and equip young men and women for ministry, our hearts remain deeply burdened by the call of world evangelism. We are genuinely committed to actively spreading the Gospel to the world in our generation.

Over the past year, we have witnessed a significant number of individuals expressing a strong desire to become more involved in foreign missions, particularly after their time in South Africa. Through visits from mission teams and short-term interns, God has graciously opened their eyes to the pressing needs of our world. We firmly believe that many of these individuals will answer the call to serve on the mission field full-time in the years ahead.

Our sincere hope is to welcome more groups to come and witness firsthand the work the Lord is accomplishing here. We anticipate that their visit may ignite a fire within them, inspiring a greater commitment to spreading the Gospel in our generation. Please join us in prayer as we expand our

internship opportunities and prepare to host several groups in the upcoming year. Our heartfelt plea is for God to raise up an army of dedicated laborers while there is still time.

As these visitors explore our churches, youth homes, camp ministry, and schools, we pray that they depart with an unwavering passion for reaching the lost, unlike anything they have ever experienced before.

Prayer Requests & Praise

- Pray as Amy, Addison, & I head back to the States for my son Luke's wedding. Amy left yesterday to be at a pre-wedding "shower" but Addi and I don't leave until September 11th. Pray for us as we try to survive without Amy:)
- Please be praying for Jacob & Christian Clower as they finish up their last few months of support raising. Their planned arrival in Mozambique is set for January, and I look forward to seeing the work the Lord has planned for them in this needy country.
- Please pray for my daughter Emilee, who is raising funds for her upcoming 6-month internship in Argentina. This internship is the final step in her bachelor's degree from the Our Generation Training Center, and she's set to leave in February. Your prayers and support are greatly appreciated as she prepares for this trip.

Quick Updates & Needs

- My son Luke & his fiancée Adri marry on September 24th.
- Missionary Lynette Osborn arrives on September 8th to help full-time here at Camp Rhino.
- As our youth home continues to expand, the need for improved transportation becomes increasingly evident. Pray as we work to meet this need.
