Church Planters to South Africa

Happy New Year from our family to yours. We can't thank you enough for your prayers and financial support that enables us to be here in South Africa. We are very privileged.

Four adults pictured about with my wife and I were baptized in December. Seeing them take the next step of obedience made for a terrific day at Lighthouse Baptist Church. We're praying during this new year we will see many more trust Christ and make a public profession as these did.

We were thankful to have Tim and Jessica Johnson from Southside Baptist Church in Knoxville, TN here on their survey trip. Tim was also the main speaker during our Junior Camp and the Lord really used him. Pray for this dear family as they start deputation this coming March.

As the Africa Field Director, I travel back to the States every year to teach at our Missions annual orientation. I will be back March & April for this trip and if you would like me to come by your church please let me know.

## Prayer Requests & Praise

•22 Juniors made professions of faith during Junior camp last month. Thank you so much for praying and for giving.

•We had our greatest turn out for counselors from our fellowship of churches. The next few years look very bright with many more of our young people wanting to be a part of the camp ministry.

•Pray as we have Teen Camp the 2nd week of January. We're praying for souls to be saved and for at least 5 young people to surrender to ministry and start Bible College.

•Pray for our missionaries in Nigeria, Graham and Olivia Young. They started their furlough earlier than expected after finding out they are expecting their first baby. We're excited for this news and just ask you to pray as Olivia is a Type 1 Diabetic which makes her pregnancy more high risk.

•Missionaries Jacob and Cristen Clower plan to land in Mozambique this month but are being held up with their invitation letter. Pray this comes through soon. They were expected to have it long before now.

## Quick Updates & Needs

- Our daughter Emilee arrived a couple of weeks ago and it has been great having her here before she starts her internship in Argentina in February. Thanks again for all those who gave to help her.
- January 9-12 are the dates for our Teen Camp and we are still seeking a sponsor for each of our campers, with the cost of the camp approximately \$50 per person. We had 88 campers for Junior camp and are expecting around 100 during our teen camp. Many gave to cover about 50 campers so far. We can still use your help.
