February 2024...

I safely arrived in Argentina on February 10th!

The very same day I was able to attend a wedding at the Henry's church. The people at the churches here have been so kind to me! They have helped me a lot with learning Spanish and getting used to how things are done here. The Henry family has been incredibly supportive as they've helped me settle in comfortably. I'm very thankful for the opportunity to learn from them. They are currently working at two churches, Iglesia Bautista Fe and since January, Iglesia Bautista Esperanza.

I deeply appreciate your prayers and support as I embark on this exciting journey! Argentina is very different from anything I have experienced before. I'm grateful for this opportunity to be here. Please continue to keep me in your prayers while I am here and learning the language.

I have comfortably settled into my apartment and started my language school. My teacher, Karen, deserves special mention for her patience and the progress I have made in learning Spanish.

Prayer Requests:

- Henry Family and their ministry
- Language School
- Iglesia Bautista Esperanza
- Start of a new Semester at the Bible College
