

Prayer Requests & Praise

- My friend Khaya trusted Christ as his Savior this past month. I've been having a weekly Bible study at his home for almost 2 months. His two boys and their friends are also attending and we're praying for many others to believe in Jesus. Khaya also brought 20 people with him to church this past Sunday.
- Lighthouse Baptist Church had a high attendance of 72 this past week. This was just a normal Sunday so we were very encouraged to see the growth. Pray that more will be saved.
- Junior camps at Camp Rhino start on December 12th. Pray as we plan to have over 150 campers between the girls' and boys' camps. Because of space, we have to split the boys into 2 different camps.

Quick Updates

- **New Support Address** | Vision Baptist Missions Has Moved! Praise The Lord!
- Vision Baptist Missions, Inc. and the Our Generation Training Center have been praying for God to provide space for the ministry to expand. In February 2022, through the giving of many generous individuals and churches, God provided an excellent property in Dawsonville, Georgia with several buildings. We are very excited about the property the Lord has given us and the opportunities to expand into the future. We are so thankful for how the Lord has blessed our mission. One thing that also comes with this blessing is a new mailing and support address. Please begin sending all mail and support to the following:

COFFEY FAMILY

Church Planters to South Africa

Happy Thanksgiving from the Coffey Family. You may not be reading this on Thanksgiving, but this is the day I'm writing it!). It's because of your prayers and support that we are able to do what God has called us to do. Thank you all for being such a great blessing.

We praise the Lord that all the money came in to purchase the property for the Bay Baptist High School. We even had a little extra that will help with renovations. Thank you all for praying and for giving.

There will be a group of young singles arriving at the end of December to help with teen camps in January from Hope Baptist Church in Fairfield, OH. We are also having a young couple arrive on December 1st for 3 months to help at Camp Rhino. They are using this trip to see if the Lord may want them on the mission field long term.

If you or anyone you know would be interested in a short or long-term internship, please just let me know. We would love to help you get more involved in foreign missions.
