March 2024...

It's hard to believe I've already spent nearly two months in Argentina! Settling in and exploring have been nothing short of a blast. My friend Lauren and her husband recently arrived to begin their language school journey. I had a fantastic time learning how to make delicious empanadas. My language school teacher, Karen, her sister Ayelen, and I spent a fun afternoon practicing Spanish and preparing them.

We had an amazing ladies conference at the start of this month at Iglesia Bautista Fe. They've also resumed their ladies' bible study on Tuesdays after a brief break. I'm incredibly grateful for the help and friendliness everyone has shown me. I believe Argentina is home to some of the warmest people I've ever encountered.

Iglesia Bautista Esperanza has been doing well; it's been exciting to see new faces and experience new things like Sunday school. I am so grateful for everyone who has reached out to me since I've been here, checking in on how I'm doing and letting me know they are praying for me.

Please continue to keep me in your prayers while I'm here and learning the language.

Prayer Requests:

- Henry Family and their ministry
- Language School
- Iglesia Bautista Esperanza
- New visitors at Iglesia Bautista Esperanza.
