

May 2024...

It's encouraging to be able to understand and say more in Spanish. The weather has been wonderfully pleasant as winter approaches. It's hard to believe it has already been 3 months since I arrived in Argentina and I'm half way done with my internship! I was able to do a quick day trip to Uruguay for a visa run. Colonia was a very beautiful city.

Iglesia Bautista Fe celebrated its seventh anniversary. It was a wonderful service, and it was such a privilege to look back and see how God has worked. It was such an example to me to see how God can do amazing things when you faithfully work serving Him. I'm thrilled to see how God continues to work in my last 3 months here in Argentina.

The Henrys have many visitors coming this month; please keep them in your prayers as they travel. Also, I ask for prayers for my sister-in-law Ashley and my roommate back in the states. They have been struggling with their health for many weeks with no real answer as to what is going on.

Prayer Requests:

- Henry Family and their ministry
- Language School
- Iglesia Bautista Esperanza and Fe
- Sister-in-law and roommates Health
- Visitors
