

COFFEY FAMILY

Church Planters to South Africa

Our time in the States was fruitful, but we are very glad to be back in South Africa.

This past weekend Camp Rhino hosted its first ladies' retreat with all the churches and it went great. The guys here at camp took over the cooking duties for once to make sure our ladies were well-fed.

Last week Amy and I were able to travel to Mozambique to see how the Clower family is adjusting to Africa. We were encouraged to see the advances that Jacob & Christen had already made in their short few weeks on the field. I believe the Lord will use this family in a great way. Please pray for them and Mozambique. We need more laborers for this country.

We have our Winter Teen and Junior camps coming up in June. Pray the Lord does a special work in the hearts of the young people. Also, pray he uses our counselors in a great way.

One need I'd like to mention is a 15-passenger van. With our camp and youth home, transportation is becoming a bigger issue. Would you pray we can raise the \$25,000 for this needed vehicle?

-A Week at Camp, A Chance at Life-

Prayer Requests & Praise

- This past month Camp Rhino held two events without my wife and I being in the country for the first time. We are thankful for our team that did a tremendous job in our absence. We were very encouraged to see Camp Rhino operate without us on campus.
- We had almost 200 people come out for our soccer and netball tournaments. We're looking to have many more evangelistic events like this in the future.
- Camp Rhino hosted a separate camp for our Christian school for the first time this past month.
- Please be in prayer for Graham & Olivia Young, missionaries to Nigeria. They are close to having their first baby, Lyla Jane, very soon. Once they have the baby they will be heading back to Nigeria. Pray everything goes smoothly.

Quick Updates & Needs

- Lighthouse Baptist Church has been joining Fellowship Baptist Church during the midweek services in May for a family conference. We've enjoyed being with Missionaries Josh and Meagan Sullivan and seeing the growth of their church. It's also encouraged more of our people to be involved in the midweek services.
- Pray for New Life Baptist Church and Pastor Siphon. Our first church was affected during Covid and Pastor Siphon is pretty much restarting this church. We're praying that many will return and many will come to Christ.
 - We are still raising funds to enlarge our dorm space at Camp Rhino. We have decided we need 2 more girl dorms and 2 more boy dorms. This should set us up for a few years to come. The new dorms will cost about \$20,000.
