

COFFEY FAMILY

Church Planters to South Africa

A few weeks ago, a family of six visited our church: a father and mother with their four children. This was the first time in our history of working in the townships that we had a complete family visit our church. It's rare to find a married couple with children in our area; we only have one other married couple in our congregation outside of the leadership.

After their second visit, I set up a weekly Bible study with the father. During our first session, he trusted Christ as his Savior. He shared that he grew up in a Baptist pastor's home but hadn't

attended church for almost 20 years since his father's passing. Please pray for the Mcanda family. The wife is skeptical of Christianity, and none of the children have made a profession of faith. We are praying they will all believe in Jesus soon.

In September, we plan to ship our first container to South Africa. Over the past year, we have collected books in the United States to start a library for our Christian school and Bible college. The time to ship has come, but we still have plenty of room in our container. Please let me know if you are interested in sending any books or supplies for the ministry. Whitfield Baptist Church in Dalton, GA, has been collecting the books and will arrange the shipping.

-A Week at Camp, A Chance at Life-

Prayer Requests & Praise

- This month at Camp Rhino, we will host our first Men's Camp. In May, we had our first Ladies' Camp/Retreat, which was a great success, and we believe the Men's Camp will be equally successful. Please pray for the men of our churches to be strengthened and for many to come to Christ during this event.
- Please pray for Graham and Olivia Young as they return to Nigeria with their new baby girl, Lyla Jane. The Young's will be completing their language studies and plan to start their first church in the spring of next year.
- Please continue praying for my daughter-in-law Ashley. She's having health issues, including blackouts and memory loss. She and my son Chase are seeking answers and hope to return to South Africa soon.

Quick Updates & Needs

- An additional \$1,000 has been given towards the new 15-passenger van for Camp Rhino and the Rhino Youth Home, bringing our total to \$16,000. The van costs \$31,000, so please pray we receive the remaining \$15,000 soon.
- One of our supporting churches sent \$10,000 last month, enabling us to build the boys' dorms. Additionally, \$1,000 was donated this week for the girls' dorms, which are estimated to cost \$10,000. Both our teen and junior camps were filled to capacity, accommodating 25 more juniors than we had space for. This expansion will support our growing camp in the coming years.
- Since the flood at Camp Rhino, a couple of months ago, most repairs have been completed or are underway. Generous donations and insurance have covered most of the damage. However, we need an additional \$8,000 to finish the perimeter wall to protect against future floods.
