

COFFEY FAMILY

Church Planters to South Africa

Not long after returning to South Africa, I traveled to neighboring Mozambique to visit two of our missionary families. The Clowers have now been there for over a year, and Josh and Morgan Barton recently arrived with their twin babies. It was encouraging to see both families thriving in different stages of ministry.

The following week, I traveled to Zambia to visit my missionary friend, Mario Genada, and to scout out more of the country. Both Mozambique and Zambia are wide open for ministry, and I'm praying the Lord will raise up many more laborers for these needy fields. While in Zambia, I had the privilege of preaching at a wonderful church in Lusaka, the capital.

Please join me in praying that the Lord would open doors for us to purchase property for a second Camp Rhino, which we plan to establish in Zambia with the help of Brother Genada. I truly believe the Lord has been preparing us over the years to take what has been built in South Africa and replicate the Camp Rhino ministry in other African nations. We hope to break ground for Camp Rhino in Livingstone, Zambia, very soon.

Prayer Requests & Praise

- We recently held our first Gospel Crusade in a small town about an hour outside our city. A team made up of members from five churches we fellowship with came together to reach this community with the Gospel. We're excited to continue hosting these evangelistic services with the goal of reaching more small towns in our region and, Lord willing, planting churches there.
- Please pray for Lighthouse Baptist Church. We're seeing encouraging spiritual growth in our members and attendees through faithful preaching of God's Word and weekly Bible studies.
- Continue to pray for the Sullivan's as they are in the States, recovering from their recent kidnapping ordeal. They plan to return to SA for a few weeks in July.
- Also, pray for Asher Smith, an intern serving with us for two months. If you or someone you know is interested in an internship opportunity in South Africa, please don't hesitate to reach out.

Quick Updates & Needs

- Amy and I will be celebrating our 25th wedding anniversary on June 24th. I am truly blessed to have such a loving and godly wife. It's been a tremendous privilege to serve the Lord together in ministry all these years.
- While we were in the States, we were able to raise funds for one of the two girls' dorms we are hoping to build. Please pray that the remaining funds will come in so we can move forward with construction.
- In recent months, several groups have been renting out our camp facilities during times when we're not using them for our own programs. We believe this will help make the camp more self-sustaining. Our goal is to replicate this model with the other Camp Rhinos we hope to launch in the future.
