

COFFEY FAMILY

Church Planters to South Africa

We started off July with our Winter Teen and Junior Mini-Camps at Camp Rhino. Many young people made professions of faith, and we all enjoyed a wonderful time during our short winter break. Please pray these young people will impact their communities with the Gospel as they return home and get involved in their local churches.

At the end of Junior Camp, I had the opportunity to travel with our camp program director, Litha, and one of our interns from the States, Asher Smith, to help at a teen camp in Botswana with Dan Brooks & Camps Abroad. Dan and his team were instrumental in helping Camp Rhino get started. We were there to assist Missionaries Mike and Cindy Haley as they launched their first teen camp at their beautiful retreat and camp property, Grace Oasis.

As soon as I returned from Botswana, I jumped back into my Bible studies with the men of Lighthouse Baptist Church. Our church family is making great progress in spiritual maturity, and their burden to reach the community is growing. I would appreciate your prayers for one of our men, Mnoneleli, who recently lost his job. Please pray that he will soon

find the right employment to provide for his family.

Prayer Requests & Praise

- I want to thank everyone who has been praying for my wife. Amy received encouraging news from the doctors, her optic nerve damage appears to be a one-time event and is not connected to MS or any other neurological disease. This is a wonderful answer to prayer!
- Amy flew out yesterday to be with her mom, who is undergoing neck and spinal surgery. Please pray for her as she travels, and pray that her mom has a successful surgery and smooth recovery. Amy plans to be gone for about 10 days, so also keep Addi and me in your prayers as we're holding things down without her. :)
- A group from North Life Baptist Church in Wooster, OH is arriving here on July 23rd for their missions trip. Please pray that the Lord works in the hearts of this group—and that at least one would surrender their life to serve on the mission field.
- Please also pray for Camp Rhino Zambia. We believe the Lord is leading us to expand the ministry there, and we need His direction, wisdom, and provision for this exciting new endeavor.

Quick Updates & Needs

- While we were in the States, we were able to raise funds for one of the two girls' dorms we hope to build. Please pray that the remaining funds will come in so we can move forward with construction and be able to house 22 more girls.
- We also have a vision to build a new lodge at Camp Rhino to house couples and include a meeting space for approximately 300 people. This facility will be a major asset for the long-term impact and sustainability of Camp Rhino. There are already outside groups that are requesting this space.
