Dear Friends and Family,

Thank you so much for your prayers and the time you have invested in our lives. I am writing to share an update on what the Lord has been doing in our family and to invite you to pray with us as we take an important next step in preparation for ministry.

Lord willing, **in July 2026**, we will enter the final phase of our training at Vision School of Missions through a six-month internship in Colombia. We will be training under Miguel and Mariangela Sanabria, who have faithfully served there for years.

The need in Colombia is great. Millions still live without clear access to the gospel, sound biblical teaching, or healthy local churches. We believe this internship is a crucial step in equipping us to serve where Christ is not yet known.

During our time in Colombia, we will be focusing on several key areas of ministry preparation:

- Learning the Spanish language
- Gaining practical experience in cultural adaptation
- Training in church planting
- Helping share the gospel and teaching the Bible among the people of Colombia

This next phase will be a step of faith as we trust the Lord to provide for the needs of this internship. Lord willing, **our target departure date is July 2026**, and we are actively raising the support needed to go.

**The total cost for the six months of the internship is \$34,000. This amount covers**

- Transportation, including flights and in-country transportation,
- Housing, personal living expenses,
- Language training and ministry-related expenses.

If the Lord leads you to partner with us financially, support can be given as a one-time gift or as monthly support in any amount.
