July 2026

What an exciting month it has been! We had wonderful Senior and Junior Winter Camps, and it has been such a blessing to see how Camp Rhino continues to grow and improve. We are thankful for all that the Lord is doing through this ministry.

We also had a Vision School of Missions student spend the month with us, giving her the opportunity to experience the ministry firsthand. She was able to serve in one of our churches by helping with Vacation Bible School before the school began. In addition, we hosted a mission team from Georgia. It was a joy to show them South Africa and introduce them to the ministries here. Please pray that God will continue to work in their hearts and lives. We are asking the Lord to call some from this group to serve Him as missionaries.

This month we are also celebrating another birthday! Siya is turning 8 years old and is in 1st grade at Bay Baptist Academy. We are so thankful for her, and we would appreciate your prayers as she continues to grow.

We are excited about all that is still to come this month. We have one more mission team arriving, and we are praying that God will do a great work in their lives as they experience what He is doing here in South Africa.

I am also grateful for how the Lord continues to provide. He has blessed me with several new meetings and heard of another supporting church. He has faithfully provided above and beyond. Please continue to pray that I can fill my deputation schedule and return to South Africa before next summer.

Please pray for:

- Siya
- The mission team
- Additional deputation meetings and support

Here to serve,
