August 2026

God has been so good! What a wonderful summer we have had, filled with amazing mission groups and winter camps. We had a wonderful time with Fellowship Baptist Church from Maryland, and I praise the Lord for giving me a safe and smooth trip back to the States.

I have been completely overwhelmed by how God has provided support and meetings for me while I was in South Africa. I am so grateful to have already started filling my calendar, and I am excited to begin traveling for deputation. Please continue to pray that I will be able to fill my calendar and that God will provide all the support I need. I am praying to be back in South Africa by May of next year, just in time for our full summer schedule of mission trips.

Please pray for safety as I begin traveling. I am a little nervous to embark on this exciting season of ministry alone, but I know the Lord will provide, protect, and supply everything I need for what He has called me to do.

We also have one birthday coming up this month at the Rhino Youth Home. Please pray for Lunga, one of our older boys at the youth home. He is turning 18 and is currently working hard to finish high school. He always has a smile on his face and is a faithful servant at one of our churches. Please pray that God will continue to guide and strengthen him as he enters this next stage of life.

Please pray for:

- Lunga
- Additional deputation meetings and support
- safety as I begin traveling
- God will use each meeting to encourage churches and challenge people to get involved in missions

Here to serve,
