September 2026

I have been blown away by God's provision! Over the past month, I have had the opportunity to travel to several churches in Georgia, South Carolina, and Alabama. It has been such an encouragement to visit churches I haven't been to in many years, as well as meet and spend time with new churches. I am currently at 15% promised support, and I am so thankful to see how God continues to provide each step of the way.

My calendar is slowly filling, and I am very thankful for each opportunity God has given me. Please continue to pray that God will fill my calendar with the right churches and provide all the support I need to return to South Africa. Please also pray for safety as I begin traveling more for deputation.

I am also very thankful that I am based close to the Bible college. This allows me to occasionally bring some of the students along with me so I don't always have to travel alone. I am very thankful for their willingness to travel with me and be a part of this journey!

I am also excited to be leading another trip to South Africa this month. I have had this trip planned since last year, before surrendering to return to South Africa full-time. I am especially excited because I will be able to take several bags of Christmas gifts to the youth home! Thank you so much to everyone who sent Christmas gifts. Your generosity will be a huge blessing to the kids, and I am grateful to be able to personally take these gifts with me.

Please pray for:

- Additional deputation meetings and financial support
- Safety as I traveling
- That God will use each meeting to encourage churches
- More would consider missions

Here to serve,
