October 2026

I had the opportunity to make a quick trip back to South Africa this month, and what a wonderful time it was! I was excited to bring a group from my home church to experience the ministry. It was such a joy to show them around, visit with everyone, and take part in several events while I was there. Seeing all that God is doing in the ministry made me even more excited and motivated to work hard toward returning to South Africa soon!

Back in the States and hitting the ground running! I was excited to jump right back into deputation travel and was blessed to have two meetings scheduled the day after I returned. I was also able to end October by participating in a missions conference. I am looking forward to all the upcoming meetings!

I am so grateful for all the meetings God has allowed me to schedule! Please pray with me that I will be able to fill the remaining openings on my calendar and continue raising the support needed to return to South Africa.

Please pray for:

- Additional deputation meetings and financial support
- Safety as I traveling
- That God will use each meeting to encourage churches
- More would consider missions

Here to serve,
